

Press release

Anup Vikal joins Maple Highways platform as CEO

Delhi, September 10, 2022

Maple Infra InvIT Investment Manager Pvt. Ltd., the investment manager to the Maple Highways roads platform, today announced Anup Vikal as its Chief Executive Officer. Maple Highways is a roads platform set up as an infrastructure investment trust named Indian Highway Concessions Trust (IHCT).

Anup brings close to three decades of experience as a business leader in various sectors including telecoms, e-commerce, hospitality and aviation. He has exercised his leadership in complex regulatory and statutory environments, building and executing strategy, and driving mergers and acquisitions.

Before joining Maple Highways, Anup was Group CFO with Nayara Energy. He has also held various leadership positions at Jasper Infotech (Snapdeal), Aircel, InterGlobe Enterprises and Colt Telecom PLC.

“We are delighted to have Anup join us and are confident that under his leadership the Maple Highways platform will continue its expansion in India’s dynamic roads space,” said **Romesh Sobti, Chairman of Board**, Maple Infra InvIT Investment Manager Pvt. Ltd., investment manager to IHCT.

“I am delighted to join the Maple team today, as Maple Highways is well positioned to create a high-quality portfolio of road assets. I am thankful to the Board and the team for the warm welcome and I look forward to taking this platform to new heights,” said **Anup Vikal, Chief Executive Officer**, Maple Infra InvIT Investment Manager Pvt. Ltd., investment manager to IHCT.

ABOUT MAPLE HIGHWAYS

Maple Highways is a roads platform set up as an infrastructure investment trust (named IHCT) for investments in the roads sector in India. It is an institutionally owned, professionally managed platform with extensive experience in the roads sector. IHCT’s sponsor, investment manager and project manager are wholly owned subsidiaries of CDPQ, a global investment group. For more information, visit maplehighways.com.
